

M5164

**Screw collar made of polyethylen for screw M4-M5**

**Technical properties**

**Dimensions**

|                    |        |
|--------------------|--------|
| Inner diameter     | 9 mm   |
| Material thickness | 1.3 mm |

**Materials**

|                |                  |
|----------------|------------------|
| Material       | Polyethylen (PE) |
| Material group | plastic          |

**Standards**

|                         |                      |
|-------------------------|----------------------|
| European directive RoHS | voluntary compliance |
|-------------------------|----------------------|

**Safety**

|               |     |
|---------------|-----|
| REACH conform | Yes |
| RoHS conform  | Yes |
| Halogen free  | Yes |
