

SL20080AD5

acc.box coupling SL20080 oak

Technical properties

Architecture

Fixing mode	Clipped
-------------	---------

Dimensions

Height of installed product	33 mm
Trunking height	80 mm
Length	110 mm
Trunking width	20 mm

Materials

Colour	oak
Material	ABS
Material group	plastic
Type of surface treatment	Tampography

Standards

Approvals	CE
European directive RoHs	voluntary compliance

temperatur

Ambient temperature	-5...65 °C
---------------------	------------
