

TG019

**Bus cable length 500m green, KNX**

**Technical properties**

**Voltage**

---

Test voltage	4 kV
--------------	------

**Cable**

---

Wire cross-section	0.8 mm <sup>2</sup>
--------------------	---------------------

---

Line length	500 m
-------------	-------

**Use conditions**

---

Operating temperature	-30...70 °C
-----------------------	-------------
