

TN714

RJ45 patch cable Cat.6 S/FTP, 1m

Technical properties

Materials

Colour	black
Colour anti-kink sleeve	black
Material connector of connector housing connection 1	Metal
Material connector of connector housing connection 2	Metal

Connection

Type of connector connection 1	RJ45 8(8)
Type of connector connection 2	RJ45 8(8)
Case connector connection 1	IEC 61076-3-106 Var. 1
Case connector connection 2	IEC 61076-3-106 Var. 1

Cable

Line length	1 m
AWG range	AWG 27-7
Cable type	RJ45/R45 Patch cable
Cable construction	4x2

Use

Pin assignment	1:1
----------------	-----

Safety

Anti-kink sleeve	moulded-on
REACH conform	Yes
RoHS conform	Yes
Flame propagation	EN 50265-2-1

Identification

Category	6
----------	---
