

TN715

#### 4 RJ45 patch cables cat.6 S/FTP,0.3m

##### Technical properties

###### Materials

Colour anti-kink sleeve	black
-------------------------	-------

Material connector of connector housing connection 1	Metal
--	-------

Material connector of connector housing connection 2	Metal
--	-------

###### Connection

Type of connector connection 1	RJ45 8(8)
--------------------------------	-----------

Type of connector connection 2	RJ45 8(8)
--------------------------------	-----------

###### Cable

Line length	0.3 m
-------------	-------

AWG range	AWG 27-7
-----------	----------

Cable type	RJ45/R45 Patch cable
------------	----------------------

Cable construction	4x2
--------------------	-----

###### Use

Pin assignment	1:1
----------------	-----

###### Safety

Anti-kink sleeve	moulded-on
------------------	------------

Flame propagation	EN 50265-2-1
-------------------	--------------

###### Identification

Category	6
----------	---
