

TP110

**Power supply 24 V DC**

**Technical properties**

**Voltage**

|                |         |
|----------------|---------|
| Input voltage  | 230 V   |
| Output voltage | 24 V DC |

**Dimensions**

|                     |                 |
|---------------------|-----------------|
| Dimensions (LLxwxh) | 50 x 48 x 24 mm |
|---------------------|-----------------|

**Cable**

|                     |        |
|---------------------|--------|
| Cable length output | 200 mm |
| Cable length input  | 150 mm |

**Safety**

|                     |               |
|---------------------|---------------|
| Protection index IP | IP54          |
| Protection class    | isol.class II |

**Instructions**

|           |         |
|-----------|---------|
| Guarantee | 2 years |
|-----------|---------|
