

UZ32M5

Mounting plate univers, for telcommunication,2field, for enclosure height 500mm

Technical properties

Dimensions

Height of installed product	310 mm
Width of installed product	498 mm

Materials

Material	sheet steel
Type of surface treatment	powder-coated

Standards

European directive WEEE	not concerned
-------------------------	---------------

Safety

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
