

UZ41M5

Mounting plate univers, for telecommunication,1field, for enclosure height 650mm

Technical properties

Dimensions

Height of installed product	460 mm
Width of installed product	248 mm

Materials

Material	sheet steel
Type of surface treatment	powder-coated

Standards

European directive WEEE	not concerned
-------------------------	---------------

Safety

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
