

UZ52M5

Mounting plate univers, for telcommunication,2field, for enclosure height 800mm

Technical properties

Dimensions

| | |
|-----------------------------|--------|
| Height of installed product | 610 mm |
| Width of installed product | 498 mm |

Materials

| | |
|---------------------------|---------------|
| Material | sheet steel |
| Type of surface treatment | powder-coated |

Standards

| | |
|-------------------------|---------------|
| European directive WEEE | not concerned |
|-------------------------|---------------|

Safety

| | |
|---------------|-----|
| REACH conform | Yes |
| RoHS conform | Yes |
| Halogen free | Yes |
