

VZ016M

**Cable gland, vector, IP65, M16, plastic**

**Technical properties**

**Dimensions**

Screw head size in mm	20 mm
thread length	8 mm

**Materials**

Colour	light grey
Material	Polyamid (PA)
Type of surface treatment	untreated

**Connection**

Clamping range	5-10 mm
----------------	---------

**Cable**

Cable Ø	5...10 mm
---------	-----------

**Equipment**

Screened	No
----------	----

**Standards**

European directive WEEE	not concerned
-------------------------	---------------

**Use conditions**

Operating temperature	-20...100 °C
-----------------------	--------------
