

VZ020D

**Pressure balance screw joint,vector,IP66, M20**

**Technical properties**

**Dimensions**

Screw head size in mm	27 mm
thread length	8 mm

**Materials**

Colour	light grey
Material	plastic
Material quality	thermoplastic
Type of surface treatment	untreated

**Connection**

Clamping range	6-13 mm
----------------	---------

**Cable**

Cable Ø	6...13 mm
---------	-----------

**Equipment**

Screened	No
----------	----

**Standards**

European directive WEEE	not concerned
-------------------------	---------------

**Safety**

Protection index IP	IP65
---------------------	------

**Use conditions**

Operating temperature	-25...40 °C
-----------------------	-------------
