

-25...40 °C

Pressure balance screw joint, vector, IP66, M20

Technical properties

Operating temperature

Dimensions	
Screw head size in mm	27 mm
thread length	8 mm
Materials	
Colour	light grey
Material	plastic
Material quality	thermoplastic
Type of surface treatment	untreated
Connection	
Clamping range	6-13 mm
Cable	
Cable Ø	613 mm
Equipment	
Screened	No
Standards	
European directive WEEE	not concerned
Safety	
REACH conform	Yes
RoHS conform	Yes
Use conditions
