

VZ111N

### Elevation frame, Volta, 1 row

#### Technical properties

##### Compatibility

Suitable for enclosure type Hollow wall ; Flush mounted

##### Dimensions

Height of installed product 358 mm

Width of installed product 350 mm

##### Materials

Colour white

Colour white

RAL colour RAL 9010 - Pure white

Material plastic

Type of surface treatment untreated

##### Equipment

Number of rows 1

##### Standards

European directive WEEE not concerned

##### Safety

REACH conform Yes

RoHS conform Yes

Halogen free No
