French telephone socket T Essensya Pure

Technical properties

Configuration Antibacterial treatment No Connectivity Direction of outlet (for data sockets copper) straight Direction of outlet (for data sockets copper) Direction of outlet (for data sockets copper) Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1	recrifical properties	
Configuration Antibacterial treatment No Connectivity Direction of outlet (for data sockets copper) straight Dimensions Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour SAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 No With transparent product label holder No	Architecture	
Antibacterial treatment No Connectivity Direction of outlet (for data sockets copper) straight Dimensions Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type Various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Туре	Т
Connectivity Direction of outlet (for data sockets copper) straight Dimensions Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Configuration	
Direction of outlet (for data sockets copper) Dimensions Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Antibacterial treatment	No
Dimensions Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Connectivity	
Installation depth, flush-mounted boxes 40 mm Depth of installed product 15 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Direction of outlet (for data sockets copper)	straight
Depth of installed product 75 mm Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Dimensions	
Height of installed product 75 mm Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Installation depth, flush-mounted boxes	40 mm
Length 45 mm Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Depth of installed product	15 mm
Dimensions (LLxwwxhh) 75x75x28 Width of installed product 75 mm Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Height of installed product	75 mm
Width of installed product 75 mm Capacity 1 Number of modules for WA 2 Number of module locations 2 Materials Colour RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Length	45 mm
Capacity Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Dimensions (LLxwwxhh)	75x75x28
Number of modules for WA 2 Number of module locations 2 Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Width of installed product	75 mm
Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Capacity	
Materials Colour white RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Number of modules for WA	2
Colour RAL colour RAL 9010 - Pure white Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Number of module locations	2
RAL colour Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Materials	
Surface appearance glossy Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Colour	white
Surface protection Brilliant Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	RAL colour	RAL 9010 - Pure white
Installation, mounting Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Surface appearance	glossy
Fixing type With screws Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Surface protection	Brilliant
Mounting type various Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Installation, mounting	
Connection Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Fixing type	With screws
Type of connection with screw Equipment Number of outputs 1 With transparent product label holder No	Mounting type	various
Equipment Number of outputs 1 With transparent product label holder No	Connection	
Number of outputs 1 With transparent product label holder No	Type of connection	with screw
With transparent product label holder No	Equipment	
	Number of outputs	1
Safety	With transparent product label holder	No
	Safety	

IK protection code against mecanical

impacts

Glow wire test	according to CEI 695-2-1: 650°C
REACH conform	Yes
RoHS conform	Yes
Halogen free	No
Identification	
Category	Other
Range	essensya
Composition	Mechanism with upper casing
With imprint	No
