

WKT511

KNX Roomcontroller, TFT Display

Technical properties

Architecture

Bus system	KNX
Number of keys	6

Electric current

Bus consumption	9.5 mA
-----------------	--------

Dimensions

Dimensions (LLxwwxhh)	56x56x10
-----------------------	----------

Materials

Material	plastic
Type of surface treatment	untreated

Equipment

Number of binary inputs	0
With display	yes
Number of channels	1

Use

Regulation mode	PID heating/cooling
-----------------	---------------------

Safety

IK protection code against mechanical impacts	04
REACH conform	No
Halogen free	No

Use conditions

Energy efficiency class	II (2%)
-------------------------	---------
