## Product data sheet WNA025

WNA025

## cubyko PB 1F w. FPL compos. grey

## **Technical properties**

Installation, mounting	
	polypiopyleik
Materials Material	polypropylène
Capacity Number of modules for WA	
Consister	
Width of installed product	75 mr
Height of installed product	75 mr
Depth of installed product	40 mr
Installation depth, flush-mounted boxes	40 mr
Dimensions	
Rated current	10 /
Electric current	
Frequency	50/60 Hz
Nominal voltage	24
Main electrical features	
Indicator lamp	yes
Controls and indicators	
Fixing mode	Clippe
Number of keys	:
Type of control unit	Push butto
Type of order	Push buttor

IK protection code against mecanical impacts	07
Impact strength	IK07
Use conditions	
Operating temperature	-1530 °C
Storage/transport temperature	-5050 °C
Identification	
Range	cubyko

Composition
Pictograms

Symbole WA
