

WXA699

Lamp for socket gallery 250V white

Technical properties

Dimensions

Depth	4.2 mm
Height	87 mm
Width	5.8 mm

Materials

RAL colour	RAL 9010 - Pure white
------------	-----------------------

Equipment

With transparent product label holder	No
---------------------------------------	----

Standards

European directive WEEE	concerned
-------------------------	-----------

Safety

IK protection code against mechanical impacts	IK02
Protection index IP	IP20
REACH conform	Yes
RoHS conform	Yes

Use conditions

Operating temperature	-10...35 °C
Storage/transport temperature	-10...50 °C

Identification

Composition	other
