

WXT501

**IP20**

## Movement detector 180°, KNX, module, 1,10m

### Technical properties

#### Architecture

|             |                |
|-------------|----------------|
| Fixing mode | flush-mounting |
|-------------|----------------|

#### Functions

|                    |       |
|--------------------|-------|
| Max. temporisation | 30 mn |
|--------------------|-------|

switching of scenes (1..8) possible ; additional channel for independent of brightness detector mode ; Motion detector functions: switching, dimming, roller shutter/blind, timer ; push-button functions: including switching, dimming, roller shutter/blind, timer, priority, operating mode changeover

#### Easy link functions

|              |  |
|--------------|--|
| Slide switch | with slide switch for OFF/automatic/ON |
|--------------|--|

|                |                |
|----------------|----------------|
| Operating mode | with test mode |
|----------------|----------------|

#### Voltage

|                            |              |
|----------------------------|--------------|
| Operating voltage over bus | 21...32 V DC |
|----------------------------|--------------|

#### Electric current

|   |       |
|---|-------|
| Bus current consumption (data transfer) | 10 mA |
|---|-------|

#### Dimensions

|                         |       |
|-------------------------|-------|
| Optimum mounting height | 1.1 m |
|-------------------------|-------|

#### Measurement

|                                     |             |
|-------------------------------------|-------------|
| Detection field, rectangular shaped | ≈ 12 x 16 m |
|-------------------------------------|-------------|

#### Reach distance

|                                   |      |
|-----------------------------------|------|
| Max. transmission range frontally | 12 m |
|-----------------------------------|------|

|                                  |     |
|----------------------------------|-----|
| Max. transmission range sideways | 8 m |
|----------------------------------|-----|

#### Detection

|                          |         |
|--------------------------|---------|
| Detection angle vertical | 0 / 7 ° |
|--------------------------|---------|

|                           |                       |
|---------------------------|-----------------------|
| Detection angle, settable | each side ≈ 45...90 ° |
|---------------------------|-----------------------|

|                            |            |
|----------------------------|------------|
| Detection angle horizontal | 90 / 180 ° |
|----------------------------|------------|

|             |                      |
|-------------|----------------------|
| Sensor type | detector of movement |
|-------------|----------------------|

#### Materials

|          |               |
|----------|---------------|
| Material | thermoplastic |
|----------|---------------|

|                    |      |
|--------------------|------|
| Surface appearance | matt |
|--------------------|------|

#### Lighting control

|                                 |               |
|---------------------------------|---------------|
| Response brightness, adjustable | ≈ 5...1000 lx |
|---------------------------------|---------------|

**Incandescent bulbs control**

Max. power with incandescent lamps

0 W

**Connection**

Bus coupling unit

with integral bus coupling unit

Bus connection

bus connection via connecting terminal

**Settings**

Supported configuration modes

system

Min. temporisation

10 s

Delay time, adjustable

10 s...30 mn

**Use**

Differentiation characteristic 3 - Sales

with integral bus coupling unit

**Safety**

Protection index IP

IP20

REACH conform

No

RoHS conform

Yes

Halogen free

No

**Use conditions**

Operating temperature

-5...45 °C

Storage/transport temperature

-20...70 °C

**Identification**

Application, usage

KNX - sensors

Main design line

KNX

**Instructions**

Information text

Continuous direct sunlight penetrating the upward-pointing detection plane can result in failure of the motion detector. Only suitable for indoor areas!
