

Berker B.7

10253609

Frame 5gang hor., B.7, stainless steel/p. white matt, metal brushed

Technical characteristics

Main design line

Height 95 m Width 374 m Capacity Number of sockets Materials Colour of design line stainless steel/polar whi Material / workmanship metal brushe Surface appearance ma Material / surface Metal, stainless steel, brushe Installation, mounting Installation mode clamp fastenin Safety REACH conform Years REACH conform	Dimensions	
Width 374 m Capacity Number of sockets Materials Colour of design line stainless steel/polar whi Material / workmanship metal brushe Surface appearance ma Material / surface Metal, stainless steel, brushe Installation, mounting Installation mode clamp fastenin Safety REACH conform You ROHS conform You ROHS conform	Depth	9.6 mm
Capacity Number of sockets Materials Colour of design line stainless steel/polar white stainless steel/polar whi	Height	95 mm
Number of sockets Materials Colour of design line stainless steel/polar whith Material / workmanship metal brushed Surface appearance material / surface Metal, stainless steel, brushed Installation, mounting Installation mode clamp fastening Safety REACH conform Yes ROHS c	Width	374 mm
Materials Colour of design line stainless steel/polar white Material / workmanship metal brushed Surface appearance material / surface Metal, stainless steel, brushed Installation, mounting Installation mode clamp fastening Safety REACH conform Yes RoHS conform Yes RoHS conform	Capacity	
Colour of design line stainless steel/polar white Material / workmanship metal brushed Surface appearance material / surface Metal, stainless steel, brushed Installation, mounting Installation mode clamp fastening Safety REACH conform You Not to stainless steel stainle	Number of sockets	5
Material / workmanship metal brushe Surface appearance ma Material / surface Metal, stainless steel, brushe Installation, mounting Installation mode clamp fastenin Safety REACH conform You	Materials	
Surface appearance max Material / surface Metal, stainless steel, brushe Installation, mounting Installation mode clamp fastening Safety REACH conform You ROHS conform You	Colour of design line	stainless steel/polar white
Material / surface Installation, mounting Installation mode Clamp fastening Safety REACH conform Ye ROHS conform Ye	Material / workmanship	metal brushed
Installation, mounting Installation mode clamp fastenin Safety REACH conform You ROHS conform You	Surface appearance	matt
Installation mode clamp fastenin Safety REACH conform You ROHS conform You	Material / surface	Metal, stainless steel, brushed
Safety REACH conform YOUR ROHS	Installation, mounting
