

## 383110

## Push-button for blinds 1pole for lock cylinder, blind control

## **Technical characteristics**

| Architecture              |                                             |
|---------------------------|---------------------------------------------|
| Type of control unit      | Key                                         |
| Compatibility             |                                             |
| IFTTT support available   | No                                          |
| Main electrical features  |                                             |
| Nominal voltage           | 250 V                                       |
| Rated voltage             | 250 V AC                                    |
| Electric current          |                                             |
| Momentary-contact current | 10 A                                        |
| Dimensions                |                                             |
| Depth                     | 40.3 mm                                     |
| Insertion depth           | 31.5 mm                                     |
| Height                    | 70.8 mm                                     |
| Width                     | 70.8 mm                                     |
| Materials                 |                                             |
| Material                  | Plastic/metal                               |
| Surface appearance        | matt                                        |
| Installation, mounting    |                                             |
| Installation mode         | without spreader claws, for screw fastening |
| Connection                |                                             |
| Type of connection        | with screw terminals                        |
| Equipment                 |                                             |
| Closures / Key systems    | for master-key systems                      |
| Use cases                 |                                             |
| Application               | Blind control                               |
| Safety                    |                                             |
| Protection index IP       | IP20                                        |
| Identification            |                                             |
| Application, usage        | Blind control                               |
| Main design line          | Blind control                               |
