

3851

Switch for blinds 1pole for centre plate lock, blind control

Technical characteristics

Architecture

Type of control unit Key

Functions

Function with push lock function

Configuration

Switch mode with neutral position

Main electrical features

Nominal voltage 250 V

Rated voltage 250 V AC

Rated current 10 A

Electric current

Switching current 10 A

Dimensions

Depth 33 mm

Height 71 mm

Width 71 mm

Installation, mounting

Installation mode for screw fastening

Connection

Type of connection with screw terminals

Equipment

Centre plates / central plates the centre plate used determines the function of switch or push-button

Use cases

Application Blind control

Identification

Application, usage Blind control

Main design line Blind control
