## Switch for blinds 1pole for centre plate lock, blind control

### Technical characteristics

#### Architecture

Type of control unit Key

#### Functions

Function with push lock function

#### Configuration

Switch mode with neutral position

#### Main electrical features

Nominal voltage 250 V

Rated voltage 250 V AC

Rated current 10 A

#### Electric current

Switching current 10 A

#### Dimensions

Depth 33 mm

Height 71 mm

Width 71 mm

#### Materials

Material Plastic/metal

#### Installation, mounting

Installation mode for screw fastening

#### Connection

Type of connection with screw terminals

#### Equipment

Centre plates / central plates the centre plate used determines the function of switch or push-button

#### Use cases

Application Blind control

#### Safety

Protection index IP IP20

#### Identification

Application, usage Blind control
