

4470

Cable out., com-tech

Technical characteristics

Architecture

Fixing mode	flush-mounting
-------------	----------------

Dimensions

Insertion depth	28.3 mm
-----------------	---------

Materials

Material	Plastic/metal
----------	---------------

Surface appearance	other
--------------------	-------

Installation, mounting

Installation mode	with spreader claws
-------------------	---------------------

Connection

Terminal	without terminal block
----------	------------------------

Cable

Cable clamp	with strain relief
-------------	--------------------

Wire	for lines Ø max. 9 mm
------	-----------------------

Use cases

Application	Communication technology
-------------	--------------------------

Identification

Application, usage	Communication technology
--------------------	--------------------------

Main design line	Communication technology
------------------	--------------------------
