

75940485

**Central plate for sensor insert, KNX, ant., matt**

**Technical characteristics**

**Detection**

Sensor	e.g. for temperature sensor PT100
--------	-----------------------------------

**Materials**

Colour of design line	anthracite
Colour	anthracite
Material	thermoplastic

**Installation, mounting**

Opening	with slots for air circulation
Installation mode	clamp fastening

**Safety**

REACH conform	Yes
RoHS conform	Yes
Halogen free	No

**Identification**

Application, usage	KNX - sensors, HVAC control
Main design line	Central plate system
Secondary design line(s)	Central plate system, Berker S.1, Berker B.3, Berker B.7, Berker K.1

**Instructions**

Information text	Not suitable for rocker push-button switches.
