### Central plate for sensor insert, KNX, ant., matt

#### Technical characteristics

##### Detection

Sensor e.g. for temperature sensor PT100

##### Materials

Colour of design line anthracite

##### Installation, mounting

Opening with slots for air circulation

Installation mode clamp fastening

##### Safety

REACH conform Yes

RoHS conform Yes

Halogen free No

##### Identification

Application, usage KNX - sensors ; HVAC control

Main design line Central plate system

Secondary design line(s) Central plate system ; Berker S.1 ; Berker B.3 ;  
Berker B.7 ; Berker K.1

##### Instructions

Information text Not suitable for rocker push-button switches.
