

85142173

Button 2gang, K.5, stainless steel matt, lacq.

Technical characteristics

Controls and indicators

Operation with 2-push-buttons operation concept per series

Main electrical features

Nominal voltage 12 V

Voltage

Operating voltage via insert

Materials

Colour of design line stainless steel

Material / workmanship lacquered

Equipment

Brightness switch-on brightness level for use on dimmer insert, power failure proof, storable

Safety

Halogen free No

Protection with dismantling protection

Use conditions

Operating temperature -5...45 °C

Energy-saving low intrinsic energy requirement

Relative humidity (without condensation) 0...65 % (without condensation)

Identification

Application, usage Light control

Main design line Berker K.5

Secondary design line(s) Electronics platform ; Berker K.5
