

A1/R

Ceiling Rose Cover Red

Technical characteristics

Electric current

Rated current	6 A
---------------	-----

Dimensions

Diameter of opening	10 mm
---------------------	-------

Height	36 mm
--------	-------

Use cases

Category of use	Covers
-----------------	--------

Standards

Approvals	BS 6972:1988
-----------	--------------

Safety

Inflammability	UL 94 V0
----------------	----------

Identification

Application, usage	Light control
--------------------	---------------

Main design line	KLIK
------------------	------
