

GP104T

Door,mini distributor,4M, transparent

Technical characteristics

Dimensions

Height of installed product	180 mm
Width of installed product	110 mm

Cover, door

Number of keylock of the door	1
Transparent cover or door	Yes

Materials

Colour	white
Material	plastic
Type of surface treatment	untreated

Equipment

Number of keys	1
----------------	---

Standards

European directive WEEE	not concerned
-------------------------	---------------

Safety

REACH conform	Yes
RoHS conform	Yes
Halogen free	Yes
