

HXD068H

Electrical interlock for Motor type A (h400-h630-x630-P630-h800-h1000)

Technical characteristics

Architecture

Number of poles0 P

Cable

Line length2 m

Standards

European directive WEEEconcerned

Use conditions

Degree of pollution according to IEC 60664 / IEC 60947-23

Altitude2000 m
