

-30...90 °C

Endcap for BRAP 68x100mm of aluminium natural anodized

Technical characteristics

Operating temperature

Configuration	
Antibacterial treatment	No
Connectivity	
Trunking coupling	without coupler
Dimensions	
Trunking height	65 mm
Trunking width	100 mm
Materials	
Material group	aluminium
Standards	
European directive RoHs	voluntary compliance
Safety	
REACH conform	No
RoHS conform	Yes
Halogen free	Yes
Use conditions
