| Architecture                                                                    |                  |
|---------------------------------------------------------------------------------|------------------|
| Number of protected poles                                                       | 2                |
| Number of poles                                                                 | 2 P              |
| Type of pole                                                                    | 2 P              |
| Curve                                                                           | С                |
| Functions                                                                       |                  |
| Concurrently switching N-neutral                                                | No               |
| Configuration                                                                   |                  |
| Number of modules                                                               | 2                |
| Connectivity                                                                    |                  |
| Top connection alignement for modular<br>devices                                | Aligned terminal |
| Bottom connection alignement for modular devices                                | Aligned terminal |
| Main electrical features                                                        |                  |
| Rated short circuit breaking capacity Icn AC<br>according IEC60898-1            | 6 kA             |
| Rated operational voltage Ue                                                    | 400 V            |
| Type of supply voltage                                                          | AC               |
| Frequency                                                                       | 50/60 Hz         |
| Voltage                                                                         |                  |
| Rated insulation voltage                                                        | 500 V            |
| Rated impulse withstand voltage                                                 | 4000 V           |
| Electric current                                                                |                  |
| Rated current                                                                   | 40 A             |
| Rated service breaking capacity Ics AC<br>according IEC 60898-1                 | 6 kA             |
| min/maxi threshold value of the AC thermal operation                            | 1.13 / 1.45 In   |
| Magnetic regulating currrent                                                    | 5 / 10 In        |
| min/maxi threshold value of the DC<br>magnetic operation                        | 7 / 15 ln        |
| min/maxi threshold value of the DC thermal operation                            | 1.13 / 1.45 In   |
| Breaking capacity on 1 pole for IT 400V NF<br>60947-2                           | 3 kA             |
| Rated short circuit breaking capacity Icn<br>under 400V AC according IEC60898-1 | 6 kA             |

| Electric current / temperature                                              |             |
|-----------------------------------------------------------------------------|-------------|
| Rating current -25°C                                                        | 46.8 A      |
| Rating current -20°C                                                        | 46.2 A      |
| Rating current -15°C                                                        | 45.6 A      |
| Rating current -10°C                                                        | 45 A        |
| Rating current -5°C                                                         | 44.4 A      |
| Rating current 0°C                                                          | 43.8 A      |
| Rating current 5°C                                                          | 43.2 A      |
| Rating current 10°C                                                         | 42.6 A      |
| Rating current 15°C                                                         | 42 A        |
| Rating current 20°C                                                         | 41.3 A      |
| Rating current 25°C                                                         | 40.7 A      |
| Rating current 30°C                                                         | 40 A        |
| Rating current 35°C                                                         | 39.3 A      |
| Rating current 40°C                                                         | 38.6 A      |
| Rating current 45°C                                                         | 37.9 A      |
| Rating current 50°C                                                         | 37.2 A      |
| Rating current 55°C                                                         | 36.5 A      |
| Rating current 60°C                                                         | 35.7 A      |
| Rating current 65°C                                                         | 35.1 A      |
| Rating current 70°C                                                         | 34.3 A      |
| Correction factor of rating current for 2 devices placed side-by-side       | 1           |
| Correction factor of rating current for 3 devices placed side-by-side       | 0.95        |
| Correction factor of rating current for 4 and 5 devices placed side-by-side | 0.9         |
| Correction factor of rating current for 6 devices placed side-by-side       | 0.85        |
| Correction factor of magnetic tripping with<br>100 Hz                       | 1.1         |
| Correction factor of magnetic tripping with 200 Hz                          | 1.2         |
| Correction factor of magnetic tripping with<br>400 Hz                       | 1.5         |
| Correction factor of magnetic tripping with<br>60 Hz                        | 1           |
| Dimensions                                                                  |             |
| Depth of installed product                                                  | 70 mm       |
| Height of installed product                                                 | 83 mm       |
| Width of installed product                                                  | 35 mm       |
| Frequency                                                                   |             |
| Frequency                                                                   | 50 to 60 Hz |
| Power                                                                       |             |

| Total power loss under IN                                                        | 9.6 W            |
|----------------------------------------------------------------------------------|------------------|
| Power loss per pole at In                                                        | 4.92 W           |
| Endurance                                                                        |                  |
| Electric endurance in number of cycles                                           | 4000             |
| Number of mechanical operations                                                  | 20000            |
| Tanada o madamanda operado d                                                     | 20000            |
| Installation, mounting                                                           |                  |
| Type of top connection for modular devices                                       | with screw       |
| Tightening torque                                                                | 2,8Nm            |
| Type of top rail clip for modular devices                                        | NA               |
| Type of bottom rail clip for modular devices                                     | metallic         |
| Type of Bottom Connection for modular devices                                    | Blconnect        |
| Top removability for modular devices                                             | No               |
| Bottom removability for modular devices                                          | No               |
| Connection                                                                       |                  |
| Connection cross-sect. flexible conductor                                        | 1 / 25mm²        |
| Connection cross-sect. rigid cable                                               | 1 / 35mm²        |
| Connection cross-section of input and output with screws, for massive conductors | 1 / 35 mm²       |
| Connection cross section of access and exit with screws, for flexible conductor  | 1 / 25 mm²       |
| Type of connection                                                               | with screw       |
| Standards                                                                        |                  |
