

RED321X

**Output coupler flush-mounted 2-wires**

**Technical characteristics**

**Architecture**

Fixing mode flush-mounting

**Functions**

Function extending

System functions decoupling of an i2BUS audio bus cable

**Attenuation**

Transmission loss 0 dB

**Materials**

Colour black

**Cable**

Conductor Ø 0.5...0.8 mm

**Use**

System technology i2 Audio

Video distribution bus cable 1x incoming in 1x outgoing, 1x audio branching off ; unwired terminals must be completed with terminator

**Software**

Software version V1000

**Use conditions**

Operating temperature 5...40 °C

Storage/transport temperature -20...60 °C

Relative humidity (without condensation) 0...65 %
