

SFT240

2-pole, 40A Centre Off Modular Changeover Switch with Top Common Point

## **Technical characteristics**

| Type of order                                     | Changeover switch |
|---|-------------------|
| Number of poles                                   | 2 F               |
| Type of pole                                      | 2 F               |
| Configuration                                     |                   |
| Number of modules                                 | 2                 |
| Main electrical features                          |                   |
| Rated operational voltage Ue                      | 230 \             |
| Frequency   | 50/60 Hz          |
| Voltage   |                   |
| Rated insulation voltage                          | 440 \             |
| Type of voltage input 1                           | AC                |
| Rated impulse withstand voltage                   | 4000 \            |
| Electric current                                  |                   |
| Rated operational current in AC21category<br>B    | 40 /              |
| Acceptable current rating with AC22<br>category A | 40 A              |
| Rated current                                     | 40 A              |
| Rated short-time withstand current 1s             | 0.6 kA            |
| Thermal rated current outside of housings         | 40 Å              |
| Rated operational current in AC21 category<br>A   | 40 /              |
| Acceptable current rating with AC22<br>category B | 40 4              |
| Dimensions  |                   |
| Depth of installed product                        | 70 mn             |
| Height of installed product                       | 83 mn             |
| Width of installed product                        | 35 mn             |
| Frequency   |                   |
| Frequency   | 50 to 60 H        |
| Power   |                   |
|   |                   |

| Endurance   |                         |
|---|-------------------------|
| Electrical durability at nominal load in<br>AC21in operating cycles | 25000                   |
| Electrical durability at nominal load in AC22 in operating cycles   | 25000                   |
| Number of mechanical operations                                     | 200000                  |
| Installation, mounting  |                         |
| Tightening torque   | 1,8Nm                   |
| Connection  |                         |
| Connection cross-sect. flexible conductor                           | 1,5 / 10mm <sup>2</sup> |
| Connection cross-sect. rigid cable                                  | 1,5 / 16mm²             |
| Cage clamp position   | off set                 |
| Type of connection  | with screw              |
| Equipment   |                         |
| Quantity of NC contacts   | C                       |
| Quantity of NO contacts   | 0                       |
| Quantity of INV contacts  | 2                       |
| Standards   |                         |
| Standard text   | IEC 60947-3             |
| Safety  |                         |
| REACH conform   | Yes                     |
| RoHS conform  | Yes                     |
| Halogen free  | No                      |
| Use conditions  |                         |
| Operating temperature   | -2050 °C                |
| Degree of pollution according to IEC 60664 /<br>IEC 60947-2         | 2                       |
| Altitude  | 2000 m                  |
| Storage/transport temperature                                       | -4080 °C                |
|   |                         |
