

SL200807D1

Joint cover for trunking tehalit.SL 20x80mm alu

Technical characteristics

Dimensions

Trunking height	80 mm
Trunking width	20 mm

Cover, door

Lid with softlip	-
------------------	---

Materials

Material group	plastic
----------------	---------

Standards

Approvals	CE
European directive RoHS	voluntary compliance

Safety

REACH conform	Yes
RoHS conform	Yes
Impact strength	IK07

Use conditions

Operating temperature	5...60 °C
-----------------------	-----------

temperatur

Ambient temperature	5...60 °C
---------------------	-----------
