

TG008

Connectors for twisted pair termination red/black

Technical characteristics

Architecture

Bus system EIB

Configuration

Switch mode 2pole

Connectivity

Encoding polarization red + black -

Connection

Connector type 2 x 4 connectors Ø 0,6 to 0,8 mm

Terminal can be used as branch terminal

Cable

Conductor Ø 0.6...0.8 mm

Number of conductors 2 x 4

Safety

REACH conform Yes

RoHS conform Yes

Halogen free Yes

Use conditions

Operating temperature -5...45 °C
