

TYFS672D

## Gateway KNX-DALI 2 Secure, 2 Outputs, 4 modules

### Technical characteristics

#### Configuration

---

Number of modules	4
-------------------	---

#### Main electrical features

---

Rated operational voltage U <sub>e</sub>	110 / 240 V
--	-------------

#### Settings

---

Supported configuration modes	system
-------------------------------	--------

#### Safety

---

Protection index IP	IP20
---------------------	------

#### Identification

---

Main design line	KNX
------------------	-----
