

WD2233

## **FRAME Video Ang Glass Silver**

### **Technical characteristics**

#### **Installation, mounting**

Installation mode	clamp fastening
-------------------	-----------------

#### **Safety**

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----

#### **Use conditions**

Storage/transport temperature	5...40 °C
-------------------------------	-----------

Relative humidity (without condensation)	0...65 %
--	----------

#### **Identification**

Main design line	Accessories
------------------	-------------

#### **Instructions**

Special note text	Designed for design-orientated integration of Video indoor stations.
