

WRSATBSW

F Type Satellite Outlet Brushed Steel White Insert

Technical characteristics

Connectivity

Reception / transmission	for digital and analogue transmission, for terrestrial and SAT reception
--------------------------	--

Main electrical features

Frequency	50/60 Hz
-----------	----------

Materials

Material	stainless steel
----------	-----------------

Safety

Protection index IP	IP20
---------------------	------

Use conditions

Insert	insert white
--------	--------------

Identification

Application, usage	Communication technology
--------------------	--------------------------
