

11248989

Centrd. drukknop/lichtsignaal E10, berker S.1/B.3/B.7, polarwit glz.

Technische eigenschappen

Aansluiting

| | |
|--------------------|-----|
| Uitvoering fitting | E10 |
|--------------------|-----|

Materiaal

| | |
|-------|----------|
| Kleur | Polarwit |
|-------|----------|

| | |
|----------|------|
| RAL-code | 9010 |
|----------|------|

| | |
|-----------------------|----------|
| Afwerking oppervlakte | Glanzend |
|-----------------------|----------|

| | |
|-----------|-----------|
| Materiaal | Duroplast |
|-----------|-----------|

| | |
|-------------------------|-------------|
| Oppervlakte behandeling | Onbehandeld |
|-------------------------|-------------|

Afmetingen

| | |
|--------------|----------|
| Uitsparing Ø | 27,20 mm |
|--------------|----------|

Teksten

| | |
|--------|---------------|
| Opdruk | Zonder opdruk |
|--------|---------------|

| | |
|--------------|----------------------------------------------------|
| Montagewijze | Centraaldeel met steekbevestiging op inbouwelement |
|--------------|----------------------------------------------------|

| | |
|-------|------------------|
| Tekst | Zonder tekstveld |
|-------|------------------|

Veiligheid

| | |
|--------------------------------------------|------|
| IP-beschermingsklasse (Ingress Protection) | IP20 |
|--------------------------------------------|------|

| | |
|----------------------|----------------------|
| Gerelateerde Systeem | Serie berker S.x/B.x |
|----------------------|----------------------|
