

578101

### CEE haakse stekker 3-polig 16 A, lichtgrijs

#### Technische eigenschappen

##### Stroom / temperatuur

|                 |      |
|-----------------|------|
| Nominale stroom | 16 A |
|-----------------|------|

##### Materiaal

|           |             |
|-----------|-------------|
| Materiaal | Thermoplast |
|-----------|-------------|

|       |       |
|-------|-------|
| Kleur | Blauw |
|-------|-------|

##### Spanning

|                   |       |
|-------------------|-------|
| Nominale spanning | 250 V |
|-------------------|-------|

##### Veiligheid

|  |      |
|--|------|
| IP-beschermingsklasse (Ingress Protection) | IP44 |
|--|------|
