

FZ402

Kabelinvoerflens IP54 universeel

Technische eigenschappen

Funcities

| | |
|----------|-----|
| Snijbaar | Nee |
|----------|-----|

Connectiviteit

| | |
|-----------|-----|
| Accessory | Nee |
|-----------|-----|

| | |
|------------------|-----|
| Reserveonderdeel | Nee |
|------------------|-----|

Afmetingen

| | |
|------------------------------|--------|
| Diepte geïnstalleerd product | 125 mm |
|------------------------------|--------|

| | |
|------------------------------|-------|
| Hoogte geïnstalleerd product | 30 mm |
|------------------------------|-------|

| | |
|-------------------------------|--------|
| Breedte geïnstalleerd product | 240 mm |
|-------------------------------|--------|

Deksel, Deur

| | |
|--------------------------|-----|
| Transparante deksel/deur | Nee |
|--------------------------|-----|

Materiaal

| | |
|--------------|-----------|
| Bestandsdeel | kunststof |
|--------------|-----------|

| | |
|------------------------|-------------|
| Oppervlaktebehandeling | onbehandeld |
|------------------------|-------------|

Toebehoren

| | |
|------------|------------|
| Toebehoren | Asdoorvoer |
|------------|------------|

Normen

| | |
|-------------------------|---------------------|
| Europese richtlijn WEEE | niet van toepassing |
|-------------------------|---------------------|

Veiligheid

| | |
|--------------------|----------------------|
| Beschermingsklasse | beschermingsklasse I |
|--------------------|----------------------|
