

G4703

### Ingangsconnector 3-polig

#### Technische eigenschappen

##### Afmetingen

|         |          |
|---------|----------|
| Hoogte  | 15 mm    |
| Breedte | 34,60 mm |
| Lengte  | 76 mm    |

##### Uitvoering

|              |   |
|--------------|---|
| Aantal polen | 3 |
|--------------|---|

##### Materiaal

|                         |         |
|-------------------------|---------|
| Kleur                   | Zwart   |
| Oppervlakte behandeling | Vertind |

##### Veiligheid

|           |             |
|-----------|-------------|
| Type slot | Zonder slot |
|-----------|-------------|
