

KF82A

Cable terminal 1P prong 2 cables 16mm²

Technical properties

Architecture

Number of poles 1 P

Functions

Suitable for fine strand conductors No

Suitable for fine strand conductors without cable end sleeve No

Suitable for extra fine-strand conductors No

Suitable for extra fine-strand conductors without cable end sleeve No

Electric current

Rated current 63 A

Connection

Connection cross-sect. flexible conductor 2x10mm²

Connection cross-sect. rigid cable 2x16mm²

Terminal cross-section 16 mm²

Type of connection with screw

Equipment

Number of outputs 1

Number of inputs 1

Safety

REACH conform No

RoHS conform Yes

Halogen free Yes
