

WBMUSBAC

**Mechanism USB A and C**

**Technical properties**

**Connectivity**

|                         |    |
|-------------------------|----|
| Connector/plug type USB | AA |
|-------------------------|----|

**Voltage**

|                |             |
|----------------|-------------|
| Input voltage  | 230 - 240 V |
| Output voltage | 5 - 5 V     |

**Equipment**

|                   |   |
|-------------------|---|
| Number of outputs | 2 |
|-------------------|---|

**Accessories**

|                     |    |
|---------------------|----|
| With miniature fuse | No |
|---------------------|----|

**Materials**

|        |       |
|--------|-------|
| Colour | White |
|--------|-------|

**Texts**

|                  |  |
|------------------|--|
| Connectors jacks | With 2 USB sockets type A                          |
| Fuse             | Short-circuit and overload-proof (electronic fuse) |
