

VZ040M

**Förskruvning. vector, IP65, M40, plast**

**Tekniska egenskaper**

**Dimensioner**

|      |    |
|------|----|
| Höjd | 51 |
|------|----|

**Material**

|          |                             |
|----------|-----------------------------|
| Material | Polyamider (PA), Termoplast |
|----------|-----------------------------|

|            |            |
|------------|------------|
| Behandling | Obehandlad |
|------------|------------|
