

WFSU83BNB

13A FCU Unswitched Black Nickel Black Insert

Main electrical features

Rated current 13 A

Fuse

Fuse with ceramic fine fuse F 13A

Dimensions

Height 86 mm

Width 86 mm

Frequency

Frequency 50;60 Hz

Materials

Colour black

Material stainless steel

Installation, mounting

Imprint with clear terminal markings

Cable

Wiring with double earth connection

Scope of delivery

Component with 2 fixing screws M3.5 x 20 mm

Standards

Standard BS 1363-4

Safety

Protection to protect downstream loads

Use conditions

Insert insert, black
