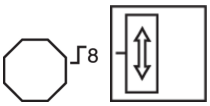
75648001



Universal input/output interface 8gang KNX

Technical characteristics

Architecture

Fixing mode	flush-mounting

Functions

Function	for switch, push-button, dimmer and shutter functions

Fuse

Fuse	short-circuit and overload proof (electronic fuse)

Dimensions

Depth	32 mm
Height	48 mm
Width	44 mm

Connection

Type of connection	with screw terminals

Safety

Protection index IP	IP20

Use conditions

Operating temperature	-5…45 °C
