

WMSSU83N/DW

13A FCU Switched with LED Indicator Marked DISHWASHER

Configuration

Switch mode 2pole

Main electrical features

Rated current 13 A

Fuse

Fuse Size 6,3 x 25

Fuse with ceramic fine fuse F 13A

Dimensions

Depth 30.3 mm

Height 86 mm

Width 86 mm

Materials

Colour white

Material Urea-formaldehyde

Installation, mounting

Imprint with clear terminal markings

Cable

Wiring with double earth connection

Scope of delivery

Component with 2 fixing screws M3.5 x 30 mm

Equipment

Lighting with control LED for ON

Standards

Standard BS 1363-4

Safety

Protection to protect downstream loads
