

80141180

Push-button module 1gang, intg temp. sensor+bus coupl. unit,KNX-S.1/B.3/B.7

Technical characteristics

Architecture

Fixing mode flush-mounting

Dimensions

Height 71 mm

Power

Power consumption, KNX ≈ 108 mW

Materials

RAL colour RAL 7035 - Light grey

Material Plastic/metal

Type of surface treatment untreated

Safety

Protection index IP IP20

Protection with dismantling protection

Use conditions

Operating temperature -5...45 °C
