## Push-button module 1gang, intg temp. sensor+bus coupl. unit,KNX-S.1/B.3/B.7

### Technical characteristics

#### Functions

Function Function for manual interruption of automatic functions already triggered

#### Dimensions

Height 71 mm

#### Power

Power consumption, KNX  $\approx 108$  mW

#### Materials

RAL colour RAL 7035 - Light grey

Type of surface treatment untreated

#### Safety

Protection with dismantling protection

#### Use conditions

Operating temperature  $-5...45$  °C
